

## **"Moving Forward... A Path to Addressing EDI in Health & Physical Education" 2020 MOSHAPE Virtual Convention | November 12-15, 2020**

The session includes health and physical educators from all levels of education (K-12 and Higher Education). The discussion addresses issues of equity, access, and inclusion in a variety of teaching environments. The panel discusses the challenges and areas of opportunity for teachers to promote inclusion in HPE instruction.
